

CAN YOU VOLUNTEER TO HELP OUR COMMUNITY

Due to spread of COVID-19 and the new advice from Government there may be many in our local community who require assistance. We are looking for volunteers to run errands for anyone who needs helps in the Blair Atholl and nearby areas.

Many of you will already be aware of which of your neighbours may need assistance and already be helping – but can you do a bit more.

The Chairman's of a number of village committees are setting up a community group to come together (virtually) and provide help to anyone who needs it during this difficult time.

Volunteers should NOT be anyone who:

- Is over the age of 65 and with poor health
- Has underlying conditions such as Asthma, Heart Disease, Diabetes, Lung Disease,
- Is under cancer treatment or recently recovered from cancer or living with someone who has cancer
- Has been overseas in the last 14 days to a country that is in lock-down (may volunteer after 14 days if no symptoms appear).
- Is showing signs of a fever or continuous cough
- Has been in contact in the last 14 days to someone who has had COVID-19

If you do wish to volunteer then please contact the group in any of the following ways:

Email - baatamembership@hotmail.com

Tel – 481276

We will need contact details and what tasks you are able to perform but we will be looking for people to run shopping errands, post letters or just to keep in touch via telephone with anyone who is on their own. There will also be an information section about COVID-19 on www.blairatholl.org

Thank you
